Next Week

Next Sunday morning Nikki and Roger Pearce from BMS World Mission will be sharing their story with us. They have spent the last 21 years in Albania. Both are from Heaton, Newcastle upon Tyne, Roger is a teacher and director of GDQ School, an international school for children from the missionary community and Nikki helps in the library. GDQ School currently has 90 children from 14 nationalities. As well as normal school activities, the school runs the Miracle Club, a weekly club for local children. Various teachers have been involved in training sessions to help local teachers and the school also offers support for home-schooling families. Roger and Nikki are both involved in the Way of Hope Baptist Church in Tirana – Roger in worship and part of the preaching team and Nikki in Sunday school and supporting the ladies' fellowship. They have two children, James and Beth.

Encouragement

As many of you know, I enjoy walking. Sometimes I stroll through St Luke's Community garden behind Crossroads Café. It's a pleasant spot to spend a few minutes looking at the flowers and reading the verses on the wooden benches. My favourite bench is the one with the words, "Those who trust in the Lord will find new strength" - Isaiah 40:31. I find I can continue on my journey with a spring in my step

Coffee, chat, prayer - 1st Tuesday 10.30 - 12 noon at church

We had the second of our once a month meetings at church on 1st August. and it was good to have so many come along. It was particularly encouraging that people walking past responded to the invitation to join us. Don't forget, it's a chance to meet up and have a chat over lovely tea, coffee and light refreshments. There are: the day's newspapers available to read, prayer request slips on the tables and an opportunity to spend some time in prayer together or on your own, with a short prayer time all together at about 11.15. This is a great opportunity to bring your friends along for a cuppa and chat, or just to come yourself to meet up once a month. Please do come along! The next one is on Tuesday 5th September.

Please continue to remember those who are working on OPEN in your prayers. Give thanks for the contacts that have been made with the Plaza and Sefton CVS. Give thanks for the two bookings that have been made recently. Pray for the organisation of the opening arts evening in October when we will be aiming to showcase the building. More details next week.

All Saints with St Frideswyde are now running Citizens' Advice sessions on Tuesday mornings at the Community Hub at their church. They have had a successful beginning with several clients and can see already how valuable a service it will be to the community. The topics that can be handled are housing, benefits, money, employment or consumer matters. The sessions run every Tuesday between 10am and noon.
